Organizers:

BABE: Bodies Across Borders: Oral and Visual Memory in Europe and Beyond, PI Luisa Passerini

AMM: Archivio delle Memorie Migranti

This workshop will be an exchange between the ERC Project “BABE” and the Archivio delle Memorie Migranti, Rome, in order to compare their research on the memory of mobility and the practices of archiving visual, written and oral products. The workshop will give space to reflections on the transmission of memories in various situations, including the educational setting

PLEASE NOTE THAT THIS WORKSHOP WILL BE HELD IN ITALIAN
